

300th Celebration Scrapbook

During the November 9, 2009 Board of Commissioners meeting, the Town of Beaufort was presented a scrapbook of the events held during the Town's 300th Anniversary Celebration. Mrs. Martha Barnes collected the information for the scrapbook and Mrs. Cheryl Young assisted by putting the information into the book.

After accepting the Scrapbook on behalf of the Town, Mayor Stanley thanked all of those who participated in the 300th Celebration. He asked for the Scrapbook to be placed in the Carteret County Library for all citizens of Beaufort and Carteret County to be able to enjoy.

The 300th Anniversary Scrapbook has been delivered to the Carteret County Library and should shortly be ready for viewing by the public.
