

# Paint a Drain

Event Date

Wed, Nov 8 2023, 3pm

Duke Marine Lab Community Science is excited to bring “Paint a Drain” to Art in the Park! We will have a local artist painting a storm drain while East high school and Duke students lead art activities and share information on storm drains. Come learn about the importance of keeping pollution away from drains and create fish art to take home!

3-5 p.m. Wednesday, Nov. 8 at Louis Randolph Johnson Jr. Memorial Park, 1017 Pine Street, Beaufort.
