

Randolph Johnson/Water Tower Park Donations

Randolph Johnson/Water Tower Park Donation Structure

Purpose: To encourage and support Parks & Recreation in the Town of Beaufort in the development of partnerships to aid in sponsorship efforts that are consistent with existing Town policies, procedures and applicable laws.

Background: The Town of Beaufort has a tradition of creative and innovative solutions that sustains ongoing services for our residents; the Town continues to look for ways in which Public-Private Partnerships provide donations, funding and volunteer assistance to support and enhance Town services.

Recognition: Name recognition will be placed at Randolph Johnson/Water Tower Park with coordinating sponsorship levels beginning at the Concerto level; additionally, all park donors will be recognized on the Town’s website and in the Town newsletter.

Donation of Specific Items: The Town encourages donations of specific items with the understanding that such items have a useful life and the donation must be approved by the Town. Once a donation is accepted, it becomes Town property and the Town may decide to maintain, replace or dispose of the item unless the donation is explicitly accepted by the Town subject to restrictions.
