

Small Vessel Removal

News Release Date

09-01-2019

In preparation of the arrival of Hurricane Dorian to our area, we are requesting that all kayaks and canoes in town leased spaces be removed immediately.

Any items left as of **10 a.m. Tuesday, Sept. 3, 2019** will be removed by the Town and fees will apply.

Also per the rental agreement, anyone failing to remove their vessel by the deadline will forfeit their opportunity to be entered into the lottery in 2020.

If Town staff must remove your property, a retrieval form will need to be filled out and payment made at Town Hall prior to retrieving your vessel.
